#### SHIPPING TAGS.

If there is any one thing that the MORNING APPEAL can do better than another, it is to print, at the most preposterously low rates, the shipping tags so much needed by the mercantile community.

#### BILLS OF FARE.

Our strong suit, (if we may be indulged in the expression), is the printing of bills of fare. To speak after the manner of the profane and gamblesome, we beat the deck on bills of fare. As to price, that is a mere secondary consideration.

#### BILL HEADS.

The MORNING APPEAL office (which is provided with the most extensive assortment of book and job material in Nevada), will print bill heads, on the finest and best of paper as cheaply as they can be procured in Sacramento.

#### JOB WORK.

The MORNING APPEAL establishment is pre pared to perform job work at rates a long way below the prices which obtained in the earlier and purer days of the Republic.

## REPUBLICAN PLATFORM.

Resolved. That we reaffirm the principles of, and renew Resolved. That we reaffirm the principles of, and renew our allegiance to the party which preserved the Union, freed the slave and maintained the essential doctrine that this is a nation, and not a confederacy bound together with ropes of sand, and that both State and National Governments should give ample and competent protection to its citizens, both at home and abroad; that against the assaults of traitors and rebels, the Republican party has preserved these Governments, and the Republicans of Nevada now demand that every qualified elector in every State—South and North—Democrat and Republican, black or white, shall be permitted, undisturbed by force and unor white, shall be permitted, undisturbed by force and un or write, shall be permitted, undisturbed by force and un-awed by fear, to vote at all elections at the places pre-scribed by law, and that every vote so cast shall be honest-ly counted, and that every person chosen by such votes, to any office, shall be freely inducted into it and effectively supported in the discharge of its duties; that the perma-nent pacification of the Southern section of the Union, and the complete protection of all its citizens in their civil political present and present rights in the duty to and the complete protection of all its citizens in their civil, political, personal and property rights, is the duty to which the Republican party stands sacredly pledged. In refer, to redeem this pledge it placed the resent amendments in the Constitution, and upon the righteous basis of said amendments it will go forward in the work of pacification until peace shall come through right doing and contentment through justice. That the evident purpose of the Democratic party, if it should come into full power, is to pay hundreds of millions of suspended war claims of disloyal men, already presented to Congress or awaiting a favorable moment for presentation, make it doubly imfavorable moment for presentation, make it doubly im-portant, now that the Senate is soon to pass under Demo-cratic domination, that the House of Representatives to be chosen in the coming election should be under Republican

That the validity of the Presidential term was Resorred, That the validity of the Presidential term was diffinitely and finally settled by the Forty-fourth Congress, and that the attempt shadowed forth by the Potter resolutions to disturb the title by which President Hayes and Vice President Wheeler hold their seats is revolutionary and dangerous in the extreme, and characteristic as it is of the underlying motives of the rebel Democracy calls for our moustified disapproval and denunciation. unqualified disapproval and denunciation.

That it is the duty of Congress to perfect with all possible expedition such legislation as will secure to the country the benefit of an honest and fair adjustment of freights and fares on all railroads, whose construction is the result of land grants, subsidies, loans and other Government aid or assistance.

Resolved, That the Republican party favors and demands t the hands of the State Legislature having in view the regulation and equalization of frieghts and fares on the ailroads within this State

Resolved, That in their shameless disregard of an avowed principle, the Democratic party of this State, in their unmistakable purpose to nominate the present in-umbent of the Gubernatorial office for a third term, have brought upon themselves the deserved distrust, not only of every Republican, but of the more honorable and con sistent members of their own party.

Resolved. That we believe in the doctrine of rotation in office, and that so believing, we are opposed to the nomi-nation of candidates to office under the State Government for a third term.

Revolved. That we hall with joy the remonetization of silver as a step towards our emancipation from the grasp of the corrupt money righs of Europe and America, and we ask Congress to complete the measure of our redemption by according to silver unrestrained coinage Resolved, That in the legislation of the Forty fifth Congress, nothing more fully commands our approbation than the efforts of our Senators and Representative in securing he remonetization of silver and the dual standard in th

Resolved, That public lands are the property of the people, and therefore they should be reserved for actual set-

Resolved, That we recognize the wisdom of the framers one constitution in providing for the taxation of the proceeds of the manes; that al! taxes should be equal and uniform; that the present system of taxation is as just and fair as any that can be devised and should be preserved; that the mining corporations doing business in this State pay no more than their just proportion of taxes, while the railroad property situated within this State pays much less than its just proportion that the reserved. much less than its just proportion; that no more taxes should be raised any one year than are necessary to defray the actual and necessary expenses of the State during the same period, when economically administered; that the present rate of assessment of property should be decreas-ed so asto produce only such a sum as is absolutely re-quired to pay the expenses of the State, at the same time having due regard to the surplus of funds already in the

Resolved, That the Republican party of the State of Nevada is opposed to and protests against any repeal, modification or change of the inst twing the net proceeds of the mines, commonly known as the Bullion Tax Law.

Resolved, That we refer with pride to the record of the Republican party in Congress, where, in spite of the asstain of dishonor rests, and not one act has been brought

to light which reflects anything but renown upon the rep-resentatives of our organization and its principles. Resolved, That labor in itself recognizes the Republi can party as its exponent; demands emancipation oppression, and elevation to its proper dignity, a just and equal place with capital, and that both are alike necessary to the well being of society.

Resolved. That to promote the advancement of education and morals, to stimulate a true and beneficent enlighten-nent, and to preserve to the men, women and children of this State the fruits of the taxes so cheerfully borne and enerously disbursed in behalf of our admirable system of able schools; to maintain the Union and protect its flag: o guard the memories of the dead who died in the name of Union, liberty and law; and to vindicate all our acts and purposes, is the aim and mission of the Republi-can party here and elsewhere; and, first of all, to do that which is best for the preservation and perpetuation of that party and its principles, holding all men's claims and aspi-rations secondary to these high aims and end-; these are our duties, and these the intentions we do most strenuously maintain and avow.
